How to initiate an Escrow service

June 6th 2022

First, you must **enter your company's Bank Information** and contact your Account Manager to **confirm your business's eligibility for escrow** or email us at support@brokerforum.com If those steps have been done already, you can skip to page 4

How to fill your company financial information

Please note, all Escrow transactions are in US dollars.

All Escrow users must have a commercial USD bank account.

Please follow the below steps to ensure your company bank details are up to date for every Escrow transaction.

- Log onto brokerforum.com and go to My account
- Go to the bottom right of the page to **Financial Information Edit** and fill in the details or update your details here.

Once in the **Bank information** section:

Fill in all the **required bank details.**

The beneficiary's name is your legal company name

The rest of the information is your commercial US dollar bank account details.

Click Save.
